

MICHIGAN MOBILE BOAT WASH

Photo: MSU

Come learn about how to properly wash boating equipment to prevent the spread of invasive species!

Come out and learn about invasive species and how to prevent them from spreading with the Clinton River Watershed Council!

Photo: NOAA

The Michigan Mobile Boat Wash will be on site at **Orchard Lake Friday August 11th from 12pm-4pm** at the DNR public boat launch located off of Orchard Lake Road.

The Clinton River Watershed Council will be on hand with information regarding invasive species as well as practices to help protect our local water resources.

For more information, please call CRWC at (248).601.0606
