Drug Take Back Event

When: April 29th

Where: Walgreens
4105 Orchard Lake Rd. Orchard Lake, MI. 48323
Corner of - Orchard Lake Road & Pontiac Trail

Time: 10AM – 2PM

Walgreens will host a drug take back event with Orchard Lake Police Department, where you can safely and conveniently dispose of your unwanted, unused or expired medications at no cost. According to the Drug Enforcement Agency, the majority of abused prescription drugs are obtained from family and friends, often times from the home medicine cabinet. Walgreens is working with local law enforcement to offer a better way to ensure your medications are not accidentally used or intentionally misused by someone else. Dropping off your medication will also ensure they are disposed of in a way that will not harm the environment.
